

**DEVELOPMENT OF LEADERSHIP SKILLS IN STUDENTS DURING COLLEGE
YEARS ON 22-07-2019**

A talk was organised on 22-07-2019 for the final year students on Development of leadership skills in students during college years which will lead to success in the students. The programme began with prayer; the Principal, Dr. K. Mahadevamma, introduced the resource person Sri. Subramanian garu, Lecturer, Degree College to the students. The primary objective of educational institutions in imparting academic learning to the students is to ensure that they are able to achieve their personal and professional goals, sustain their livelihoods opportunities in an appropriate manner and turn out to be effectual citizens of the country. Apart from academic learning, it is essential for students to develop leadership skills among themselves. When they develop leadership skills, they are able to lead and guide others in the right direction, inculcate the traits of diligence and conscientiousness and differentiate between appropriate and inappropriate. He spoke about the importance of hard work, which leads to success and leadership qualities along with self-confidence. He gave some tips to enhance self- confidence like learning everything about the subject before venturing into doing the things. The students were very much motivated by the talk. The programme ended with rendering of National Anthem.

A SESSION ON CAREER GUIDANCE TO FINAL YEAR STUDENTS ON 16-09-2019

Career guidance programme organised for the final year B.Sc., Degree students on 16-09-2019 by Anudip Foundation, Tirupati. The purpose of the career guidance seminar is to impart knowledge about details of various career options that the students can pursue. The guidance seminars are conducted with help of interactive Question and Answer sessions. It is a comprehensive, developmental program designed to assist students in making and implementing informed educational and occupational choices. Career guidance and counselling program develops an individual's competencies in self-knowledge, educational and occupational exploration, and career planning. The students were educated about the opportunities for various higher education avenues in different Colleges & Universities in India and abroad for Integrated PG and Research programme. The students were guided how to approach various colleges and universities, the admission procedure etc.... Apart from this the qualifications required to get into different vocations as per their aptitude. All the students were very much benefitted by this programme.

GENDER SENSITIZATION PROGRAMME ON 12-12-2019

A programme on Gender studies was organized by the IQAC in collaboration with Dept. of Women Studies, Sri Padmavati Mahila ViswaVidyalayam, Tirupati on 12-12-2019. The resource person on the occasion was Dr. , Asst. Professor, Dept. of Women Studies, Sri Padmavati Mahila ViswaVidyalayam, Tirupati. She enlightened the students about the perspectives that allow students to develop a framework for thinking about power relations connected to social constructions of gender, race, class, sexuality, ability, age, and nationality through multiple perspectives and theories. The role of Gender Studies is to provide students with the opportunity to obtain practical tools for promotion of equity across social, political, and economic spheres. Gender Studies is diverse in that it can be applied to several other disciplines of study, like literary theory, drama studies, film studies, religious studies, performance theory, art history, anthropology, sociology, psychology, and political science.

EMPLOYERS' PERCEPTIONS OF THE EMPLOYABILITY SKILLS OF NEW GRADUATES

A programme was organized Employers' perceptions of the employability skills of new graduates on 17.02.2020 explore the perceptions of employers and Higher Education Institution staff concerning the skills, knowledge and characteristics which help undergraduates /new graduates to be employable. To ascertain whether perceptions vary by Employment sector and employer size. To assess whether such perceptions have influenced HEI strategies (informal and formal) to provide support, activities and learning opportunities to enhance students 'employability skills. To explore what formal or informal methods are used by employers to assess graduates 'employability skills as part of their recruitment process. To assess whether there are differences in desirable employability skill sets across those who have graduated from programmes of study that have included a greater or lesser amount of work-based and work-related learning (or learning approaches that inculcate such skills).
